

## **How to Make Accessory Bags (two sizes)**

### **Items Needed/Specifications**

**Size 1:** 17x27" cut size

\*32" drawstring

**Size 2:** 12x18" cut size

\*28" drawstring

### **Sew Bag & Insert Cord**

1. Fold and iron a 1 ½" casing on top edge of bag body. Fold both ends of casing to the inside of the bag to form a triangle, and iron in place. Lay cord inside casing. Stitch casing ½" with cord inside. Leave cord free at both ends.

### **Sew Bag Together**

1. With fabric right sides together, sew bag ½" along the side and bottom. Turn bag right side out and press. DONE.

**Kits may require two pieces of cut fabric to be sewn together to achieve finished size. SIZES MAY VARY.**
